## ABOUT ME

I am Mohamed Rajwan, a final-year undergraduate pursuing a BSc (Hons) in Industrial Information Technology at Uva Wellassa University of Sri Lanka. I do have a strong foundation in web design and full-stack development. I am excited about the opportunity to apply for the Intern Software Engineer position where I can challenge myself and further develop my technical skills. I am passionate about technology and remain committed to the implementation of innovative solutions that drive progress, furthering the growth of the industry. I look forward to working with other talented professionals in creating a more productive and interconnected world.
